PREETHI RAM MOHAN,

M.S.(IT), MCA

Technology Engineering and Digital Design

E-Mail: prammohan@wcpss.net

Dear Parents

Let me introduce myself. My name is Ms. Rammohan and I hold a master's degree in Computer Applications. Your son/daughter is enrolled in Digital Design and Animation / Game Art and Design / Advanced Game Art and Design course with me this semester. I am delighted to have him / her in my class. I believe it will be an exciting year and look forward to it. I believe in making every session fun and exciting.

Digital Design and Animation / Game Art and Design / Advanced Game Art and Design is a challenging course where they will learn about digital design and animation, game art and design and how technology can be used to make their life better. I believe in student teacher interactions, so there will be homework assignments daily, as well as projects and presentations through the semester. I want your son/daughter to be involved in the class. I hope you have received information about what is needed in terms of materials as well as the course syllabus. The week's schedule will be provided to each student. I will also upload a copy of the schedule and handouts needed for each class on my website.

I would like to request your help to make sure your son/daughter is up to date on all his/her assignments. I believe both of us should be actively involved to make learning a fun endeavor for your son/daughter. I believe in the power of effective communication to achieve this goal. I am available to talk with you in the morning and after school. You can always contact me on my email, phone and in person if you have any questions or concerns.

Thank You

Sincerely

Preethi Ram Mohan
